

# Job Crafting; a powerful coach tool

## For whom?

Career coaches and consultants, stress and burn-out coaches, reintegration specialists.

## Your gains

- ✓ Able to work with the 4-step TaskFit Analysis tool©
- ✓ Expanding your repertoire of questions based on the 4 forms of job crafting.
- ✓ 9 CCEU's in RD to apply at ICF.
- ✓ 9 PE-points to apply at NOLOC.

## Your trainer

Dianne Commissaris, Certified Professional Coach (2012) and Human Movement Scientist/ergonomist (1992). Has crafted BTR to her ideal 'job'. Experienced teacher (CRKBO) and trainer.

Are you looking for:

- knowledge and applications of job crafting?
- a step-by-step plan to guide your client's reintegration, based on a thorough task analysis?
- concrete 'job crafting' assignments, to best serve your clients with career questions or stress complaints?

This training:

- provides the basic theory on job crafting and sustainable performance,
- gives you lots of practice asking powerful questions,
- teaches you to perform a TaskFit Analysis!

BTR; Certified Professional Coach and experienced teacher

# Training Job Crafting

## Your opportunity to learn, 2024

- Online, MS Teams
- Small group of four
- Dates of workshop (3½ h) and group intervision (1½ h) tailored to the group
- Personal guidance on request.

## Costs and registration

Your investment for the entire program, including materials, is: 575 euro (plus 21% VAT for Dutch). Register via: [info@btrcoaching.nl](mailto:info@btrcoaching.nl) with your name, company name and company tax ID

## According to Kathleen Wong

“Dianne translates the theory behind the tool into practical use in coaching programs in a pleasant and clear way. Working with a small group, the different working methods and, after a few weeks, exchanging experiences and receiving tips in a short intervision meeting, increases the effectiveness of the training.”

## Program and materials:

- Preparatory reading (approx. 1½ h)
- Half-day workshop (3½ hours)
- Practice with TaskFit Analysis tool (2x, approx. 1 hour per trial client)
- Plus 1½ hours of group intervision
- Plus 1 hour of individual support
- The 4-step TaskFit Analysis tool© with your own logo
- Handout of presentations

**Join and give your clients the tools to craft their own work!**
